

TRACK CHANNEL

MAGNETIC 20MM

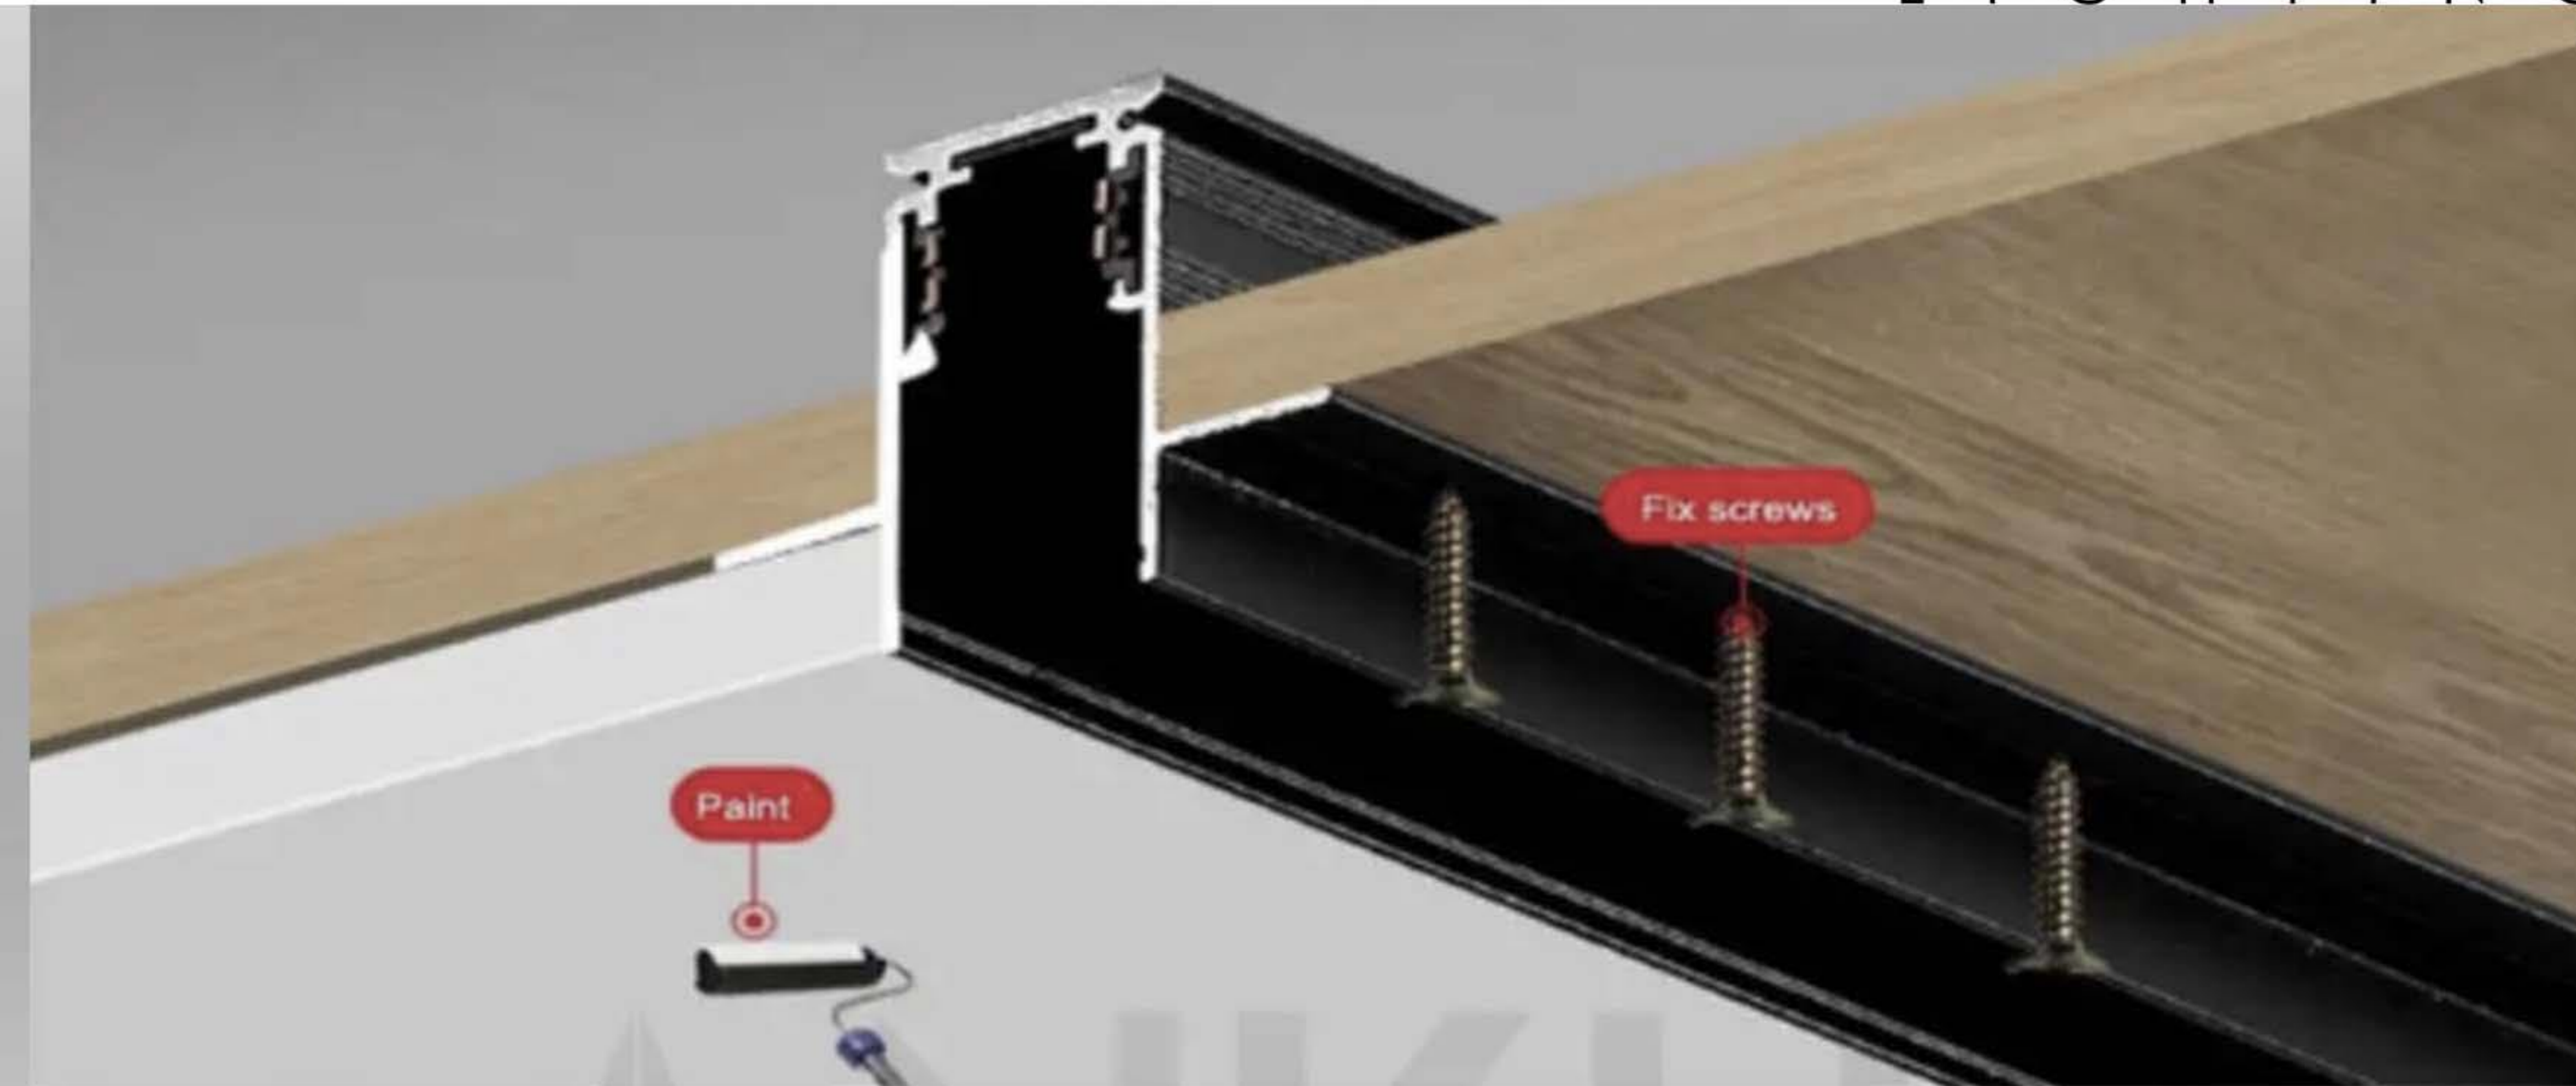

DESIGNED TO ILLUMINATE AND ENHANCE THE AMBIANCE OF INDOOR SPACES

Create the perfect lighting layout for any space with the Ankur 20mm ECO Standard Magnetic LED Track Channel. This versatile and durable track is the foundation for a completely customizable lighting system, designed to work seamlessly with all Ankur 20mm ECO magnetic spotlights, pendants, and linear lights.

Crafted from high-quality aluminum with a sleek black finish, this track is built for performance and longevity. Choose from multiple lengths and two installation methods—surface or recessed mounting—to achieve a clean, professional look that integrates flawlessly into your interior design.

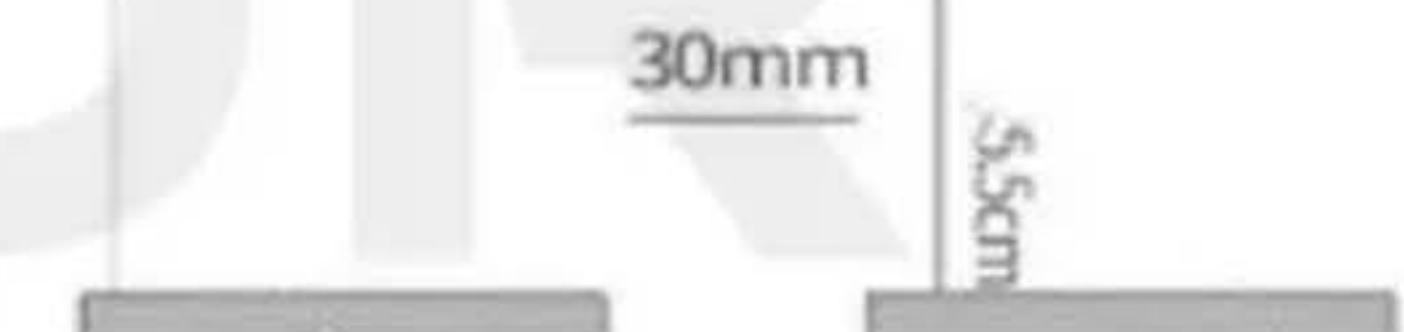

Recessed Track

1000mm/2000mm
