

LED STRIP

2835

Available in 3 Widths sizes

ANKUR 2835 LED STRIP LIGHT : BRILLIANT ILLUMINATION, SEAMLESS FLEXIBILITY.

ANKUR High Powered 2835 LED Strip Light delivers bright, uniform and energy-efficient illumination for versatile indirect lighting applications. Designed with advanced 2835 LED technology, it offers excellent brightness, consistent light output and reliable performance. Ideal for both indoor and outdoor applications, it is suitable for coves, ceilings, furniture, displays, signage and architectural lighting.

Key Highlights:

- High-powered 2835 LED technology
- Bright & uniform illumination
- Energy efficient performance
- Flexible and easy to install
- Suitable for indoor & outdoor applications
- Ideal for decorative and architectural lighting

Features

2835 LED Light

Regular + Waterproof(Optional)

High Quality _ RGB Option
