ANKUR ASTRA RECESSED PANEL LIGHT - ROUND AND SQUARE

ANKUR Recess Panel Downlights are designed to deliver uniform, glare-free illumination with a sleek and minimal aesthetic. Available in two elegant variants — Round and Square, these panels cater to diverse architectural styles and interior themes.

Each variant comes in three sizes, with multiple wattage options to suit various lighting requirements, ensuring optimal brightness and energy efficiency across different spaces.

With their slim profile, superior light distribution, and durable build quality, ANKUR Recess Panel Downlights are the ideal choice for homes, offices, retail environments, and modern commercial interiors.
