LYNEX SERIES - AVAILABLE IN 2 SIZES AND TWO VARIATIONS

Upgrade your area with this sleek tiltable brass power strip designed for both style and functionality. Crafted with a premium brushed brass finish, it blends seamlessly into modern interiors while offering practical everyday convenience.

The innovative tiltable mechanism allows you to adjust the angle of the socket panel, making it easier to plug in devices without awkward bending or reaching. Whether installed under cabinets, inside desks, or on countertops, it ensures effortless accessibility.
