ANKUR SKYSAIL MODERN THERMOPLASTIC POLYESTER HANGING LIGHT

Elevate your space with the perfect blend of modern design and durable craftsmanship. The ANKUR SKYSAIL Hanging Light features a gracefully curved 400mm shade crafted from premium PETG thermoplastic polyester—a material known for its strength, lightweight feel, and lasting clarity. Finished in a clean, crisp white, it casts a soft, warm 3000K glow that diffuses beautifully, creating an inviting ambiance for dining areas, kitchen islands, or living spaces.
